High-Aesthetic Universal Junction Box
MODEL: FAS-BBP-R

Brainwell

PRODUCT OVERVIEW

Brainwell Junction Boxes are precision-engineered enclosures for securely mounting fire detector bases and CCTV cameras. The FAS-BBP-R offers reliable performance with a sleek, modern design, making it ideal for both residential and commercial installations.

KEY FEATURES

- ⋆ Universal Circular Design – Low-profile form for seamless integration with standard devices
- ⋆ Crystal Gloss Finish – Premium look suited for modern interiors
- ⋆ Durable ABS Build – High-impact, UV-stabilized material prevents fading and yellowing
- ⋆ Secure Protection – Safely houses wiring and ensures stable mounting
- ⋆ Easy Installation – Pre-drilled holes with multiple cable entry points for flexible wiring
